**Dear Mr. Fruhman:**

Thank you for your letter of 18 July.  
I appreciate your kind remarks and I am enclosing  
a copy of the complete text of my address before  
the Dallas Council on World Affairs which may be  
of interest to you.

I have not formally published anything  
as such, and my duties keep me pretty much in  
Washington. I do get to Dallas whenever I can.  
Perhaps we will run into each other there.

Sincerely,

**C. P. Cabell**

Dear General:

I am deeply impressed with your quotation about "The key to the future" which was printed in the latest bulletin from the Dallas Council on World Affairs.

May I hear from you if you have published anything or, better still, where does one see you when he had the opportunity.

I would appreciate hearing from you.

Yours sincerely,

*Martin Fruhman*
